Sophia Antipolis, France

Alcatel-Lucent

Software Development Engineer/ SCRUM Master

July 2009 - March 2011 (1 year 9 months)

Timisoara

I worked in an Agile Software Development team. We developed tools in Java using

Swing. The tools are used in telecommunications for wireless network design. I was

working in maintenance and implementation of new features. In the period of 15th of May 2010 – 15th of July 2010 I had the responsibility to be Tool Development Manager for a GSM Tool. In the period of 1st of November 2010 – 31st March 2011 I had the responsibility to be the SCRUM Master of the team.

ACI Worldwide

Java - practice

April 2009 - May 2009 (2 months)

Timisoara

Add new facilities to an existing Software Application. I worked with: JSF-ICE Faces, JPA, ANT, MySQL, Tomcat, xHTML

West University of Timisoara incollaboration with Innovative Systems

Research Scholarship - Java Developer

April 2008 - June 2008 (3 months)

Timisoara

It was a part time job as a java programmer (in a research scholarship program).

The objective was to write grammars in order to build a translator from Cold Fusion to JSP.
